If you are not the District General Manager, is the District General Manager aware of your scholarship application? Yes

REQUIREMENT: Provide a brief description explaining why you believe it would be a benefit for you to receive the scholarship and any special circumstances or other items for consideration by the scholarship selection committee. Activities available for the Education Allowance Fund (if multiple, please rank them in order of preference): *

I am a new General Manager/Secretary for the Cameron Estates CSD. I would like to attend the conference to learn all about my new position. We are a small District, and so there is no budget for continuing education. In order to attend this conference, I would need a scholarship. I'm a part-time employee, and this conference would be too costly for me to attend otherwise. The outgoing General Manager/Secretary said this conference was very helpful and recommended that I take it. I hope that you consider me for the scholarship.

What event are you requesting? * Board Secretary Conference Nov 7-9, 2022 at Embassy Suites Monterey, CA

CSDA Workshop: Please enter name and date. Board Secretary/Clerk Conference November 7-9, 2022
