SEPTEMBER RECAP - NEIGH hosted a number of activities in September:

TACK SWAP on Saturday, September 4 – The NEIGHborhood TACK SWAP hosted by Erin and Jenna took place on September 4 from 9am to 3pm. The event was well-attended and offered shoppers a wide variety of Western and English tack and horse equipment and décor. This could become an annual event!

Equine Intestinal Parasites Presentation by Erin McCarty, D.V.M. on Tuesday, September 14

Erin provided an insightful power point presentation and lively Q&A/discussion covering parasites that affect equines, including symptoms and courses of treatment, as well as photos of the nasty creatures that can impair our horses' health. Erin handed out laminated de-worming schedule cards with the appropriate de-wormer for each season. A lot of us who have had horses most of our lives learned valuable new information!

The 2nd Annual NATIONAL GOOD NEIGHBOR DAY PARADE took place last Saturday, September 25, traveling around the Strolling Hills-Cameron Road loop. Participants included 4-5 tractors, 5 ATVs, 2 vintage automobiles, a bicyclist, 6 horseback riders, and a competitive driving pony and cart. Judges were on hand to distribute awards.
