Notices From the Board of Directors

1. At the September 17 meeting the Board approved hiring a tree company to trim the dangerous tree limbs and branches hanging over the roads and road easements in the District. The Board wishes to **Thank** those residents who faithfully cut back their tree limbs, branches, and brush which improves visibility and helps reduce fire fuel near the roads and saves the District more money that will go toward road repair! **Update:** The District hired HG Tree Service to trim tree limbs and brush from Cameron and Flying C Roads. HG Tree Service did an **awesome** job!! These roads are much safer to drive, bike, walk and ride horses.

2. The Board approved hiring Wilsons Asphalt Inc., to crack seal and stripe Flying C Road to Cameron Road, and crack seal all of Cameron Road. **Update:** The work is complete and will preserve the life of Cameron and Flying C Roads and striping adds safety to Flying C Road by defining the lanes.

Positive Thoughts For The Month

"Nothing ever seems too bad, too hard or too sad when you've got a Christmas tree in the living room." Author Nora Roberts

"Be grateful for ordinary things"

"Getting older may not be fun, but it's easier to deal with when you can laugh about it. Like adding a little sparkle to your outfit, humor just brings a bit of joy to any situation and takes some of the seriousness away." Caroline DeMaigret, author of: Older, But Better. But Older.

Merry
Christmas!
