Notices From the Board of Directors

1. At the January 20, 2022 Board meeting Board members elected: Director Angela Johnson as Board President; Director Cory Hamma as Board Vice President; Director Joshua Clark as Road Committee Chairman and Director Lynn Kissel as Road Committee member; Director Doris Miller as Budget Committee Chair and Director Angela Johnson as Budget Committee member.

2. The Board is concerned that many signs in the District are being defaced, bent over or stolen. These signs cost the District hundreds of dollars to replace, which takes money away from repairing roads! If you see anyone marking on, damaging, defacing, or stealing District signs, **please** report it to the District office at 530- 677-5889.

Resident Gate Entrance Code Change

Notice: A new gate entrance code has been posted in the body of the email this Newsletter is attached to! New signs are in place at all three gate pillars announcing: **RESIDENTS - NEW GATE CODE SENT VIA DISTRICT EMAIL** cecsd@att.net. Please be watching for these emails from the District Office. **Please DO**

NOT share this code with anyone outside the District! The old code will be disabled later in February 2022. If you do not receive an email (some folks want the newsletter mailed to them) with the new code from the District Office by the end of February, please contact Karen Moonitz via the District office email: cecsd@att.net or 530-677-5889. Now is a good time to purchase a gate remote!

El Dorado County Leash Law

This notice will keep repeating as many new families are moving into the District! The District Office has been receiving **many** complaints from residents about loose dogs and dogs off leash harassing their livestock and chasing them while walking, biking and riding horses in the District. We would like to remind all residents that according to El Dorado County Ordinance Code Title 6, Chapter 6.12 Section 6.12.070 - Running at large prohibited: (in part, look it up if you wish to see the full version): “No person owning or having control of any animal...shall permit such animal...to stray or run at large upon any...unenclosed private lot or other unenclosed private place in the County...” part A states: “**Any animal other than working animals shall be confined by the owner or his or her agent on a leash of not more than ten feet in length during any time the animal is removed from an enclosed private lot or enclosed private place.**” FYI if your loose dog causes bodily harm to human or animal, or even “engages in behavior that requires a person to take defensive action to prevent physical injury...or otherwise causes injury to any domestic animal” you are guilty of a misdemeanor and could be fined and sued. Upon conviction your dog could be deemed dangerous and/or vicious and if any other violation occurs after that designation, fees will be imposed upon you; you will be held liable for damages and your dog impounded and/or euthanized. **Please** keep your dogs confined at home and on leash while walking them.

Positive Thought For The Month

“The laws of physics applied to life: Objects in motion want to stay in motion. Keep moving in a positive direction and momentum will carry you forward.” Advice to students at Ward Melville High School, East Setauket, New York, from science teacher Jenny Serigano

“Every human being is born with the capacity for joy, and like the pilot light in your stove, it still burns within you even if you haven’t switched on the burners in a while.” From the book Joyful, by author and designer Ingrid Fetell Lee

Happy Valentine’s Day!
