

# Cameron Estates Community Services District

The Mission of the Cameron Estates Community Services District is to construct and maintain district roadways, define and designate riding trails, and to represent the residents in issues that would have an effect on the community.

## Next CECSO Regular Meeting: Thursday, March 19, 2020 at 7 p.m.

### The Board invites and welcomes you to attend.

Meetings are at LOTH Church, 3100 Rodeo Road, Cameron Park, 7:00 p.m., the 3<sup>rd</sup> Thursday of every other month, in the Multi-Purpose room. The Agenda and relevant meeting documents are posted at the green monuments by the entrance gates and on the CECSO website [www.cameronestates.net](http://www.cameronestates.net) 72 hours prior to the meeting.

## Temporary Gate Code for Events

If you are having a large event, or work done on your property, the District office can issue you a temporary gate entrance code to give to your gardener, contractor or guests. Call the District Office at 530-677-5889 to arrange for a temporary code.

## Notices From the Board of Directors

**1. Q:** Why are there orange tags on many of the trees and shrubs along the roads? **A:** Dangerous Trees and Shrubs have been tagged by the Directors!! The Directors are asking you to **Please** cut your offending trees and brush growing into the roads and road easements. Make sure you look at the whole tree or bush and cut them back to clear the road easement 10 feet from the edge of the road asphalt and 13 feet 6 inches above it. This makes our roads safer for travel, more attractive and helps reduce fire fuel by the roadsides. Please remove the cut debris as well.

**2.** We are hearing that many insurance companies are cancelling policies for homeowners living in dangerous fire areas, as well as canceling policies for homeowners that live next to a property that is not fire safe! For valuable information on wildfire prevention & safety tips while cutting weeds see: <http://www.preventwildfireca.org>

**3.** Now that we are getting rain, remember to remove debris near your creeks and culverts. Clogged culverts and creeks cause flooding which damages the roads and your property.

**4. Please do not tape** notices to the gate pillars! The glue from the tape leaves residue on the stones which damages the finish. Call the District office to borrow an A frame to display your signs. If we find signs taped to the pillars they will be removed!

## Positive Thoughts for the Month

*"Be kind to everyone because it costs you nothing and it takes you far."* Rachel Brosnahan, actor

*"Never underestimate the importance of having a person in your life who can always make you smile."*

**Gate Transmitters:** Gate clickers can be purchased for \$45 at the District Office from the General Manager, Karen Moonitz 530-677-5889. Please call for an appointment.

**Gate Transmitter Battery Replacement:** Duracell security 21/23(12v NM21/A23) or another brand equivalent.

## Classified Ads

This is a free service for residents. Please submit postings for the newsletter by the 1st of the month. (CECSO Board of Directors has not verified the accuracy of the Classified Advertisements and does not endorse or recommend the advertisers, products, or services offered.)
